Mrs Barak,
I should have an almost final itinerary to you for the Vancouver and Calgary events by Monday.

As you know this is a book club so the book they chose for Mr Barak's event is *How Israel Was Won: A Concise History of the Arab-Israeli Conflict* by Baylis Thomas. As you may remember as part of this contract they ask the speaker to sign something. Would Mr Barak be willing to sign book plates to put in this book or would he rather sign his own picture? Do you have any other thoughts?
